**FREE** initial half hour.  
Contact us **now** for your **legal health check**

## Wills

Have you made a will? Is it up to date? If your circumstances have altered eg have you married, divorced or your financial situation has changed then ask us to review your will. If you have not made a will we can advise you if it's necessary.

## Home

Do you live with someone you are not married to? We can advise you of your legal position and help ensure your home and investments are adequately protected.

## Deeds

Is your property registered? If not we can register it now and iron out any problems with the title to avoid delays and complications should you come to sell your property. This would also protect you if the deeds were lost.

## Nursing Home Fees

Are you worried your savings will be spent on fees? We can advise you how to limit the effect of long-term care costs.
